Trojan Midflow Logics-230V Interface Board / Main Control Board - Trojan Technologies (Trojan UV / Aquafine)

Manufacturer: Trojan Technologies (Trojan UV / Aquafine)
Description: • Brand: Trojan Technologies (Trojan UV / Aquafine) • Component Manufacturer: OES Inc. (London, Ontario, Canada) • Product Name: Trojan Midflow Logics-230V (Interface Board / Main Control Board) • Part Number: 912492 • Revision: J123 • Serial Number (S/N): 9124920000215002 •

Component Type: Interface Circuit Board / Main Control Board • Voltage Rating: 230V / 240V AC • Compatibility: Designed for TrojanUVLogic (specifically AM models) and Trojan UVSwift SCA ultraviolet water disinfection systems
Serial No: 9124920000215002
Part No: 912492
Condition: New
Stock: 1

External ID: 4212770
Internal ID: 12763
Category: Electrical Equipment
Subcategory: Electrical Equipment, Other
Dimension (L x B x H) [m]: 0,14x0,18x0,5
Weight [kg]: 0,5
