Trojan UV Interface Board Main Control PCB - Trojan Technologies

Manufacturer: Trojan Technologies
Description: • Product Name: Trojan Midflow Logics-230V (also listed by Serv-A-Pure as Trojan UVLogic 240 V Interface Board) • Brand / Compatibility: Trojan Technologies (Trojan UV / Aquafine) • Part Number (P/N): 912492 • Revision (REV): J123 • Serial Number (S/N): 9124920000715002 • Voltage: 230V / 240V AC • Component Type: Interface Board / Logic Control Printed Circuit Board (PCB) • Compatible Systems: TrojanUVLogic™ (AM Models) and Trojan UVSwift SCA water disinfection systems (per Tank Supply Co. and AquaCare) • OEM Manufacturer: OES Inc. (London, Ontario, Canada – ISO 9001:2000 certified)
Part No: 912492
Condition: New
Stock: 1

External ID: 4212709
Internal ID: 12761
Category: Electrical Equipment
Subcategory: Electrical Equipment, Other
Dimension (L x B x H) [m]: 0,18x0,13x0,0,5
Weight [kg]: 0,5
