

Automatic Self-Cleaning Strainer/Filter Systems - Fluid Engineering

Manufacturer: Fluid Engineering

Model: 723

Description: Motorized, automatic, selfcleaning strainers provide continuous debris removal from fluid piping systems that demand full time uninterrupted flow.

Serial No: 7019

Year: 2012

Condition: Used

Stock: 2

External ID: 2871671

Internal ID: 11810

Category: Piping

Dimension (L x B x H) [m]: 150X150X270

Weight [kg]: 3400
