

Capacitor protection relay - ABB

Manufacturer: ABB

Model: SPAJ 160 C

Description: The numerical capacitor relay SPAJ 160 C is an integrated current measuring multi-function relay used for protection of capacitor banks

Serial No: EQ396815

Year: 2021

Condition: New

Stock: 1

External ID: 3153252

Internal ID: 12029

Category: Electrical Equipment

Subcategory: Electrical Equipment, Other

Dimension (L x B x H) [m]: 0,25X0,15X0,18

Weight [kg]: 1
