

Dual-Speed Single Disc Floor Machine - TASKI

Manufacturer: TASKI

Model: Ergodisc duo

Description: It is a professional dual-speed single disc floor machine. It operates at two different speeds—typically 165 RPM for heavy-duty tasks like wet scrubbing and stripping, and 330 RPM for high-speed polishing and buffing. Designed for scrubbing, spray cleaning, stripping, buffing, polishing, and carpet shampooing.

Condition: Good
