Metal-Cutting Band Saw - Baileigh

Manufacturer: Baileigh
Model: BS-712MS
Description: This machine is a staple in fabrication shops because it can be used as a horizontal saw for heavy cut-offs or flipped into a vertical position for more intricate manual work. The head swivels up to 45°, allowing you to cut angles without moving the material.
Condition: Used
Stock: 1

External ID: 3791778
Internal ID: 12455
Category: Tools & Machinery
Subcategory: Machinery
Dimension (L x B x H) [m]: 1,2x0,5x1,2
Weight [kg]: 200
