

Motorola UHF Radio - Motorola

Manufacturer: Motorola

Model: DGM 5000

Description: The DGM 5000 series is engineered for the mobile professional who refuses to compromise. By combining traditional two-way radio functionality with digital DMR technology, it transforms workplace communication—making interactions safer, smarter, and more efficient for operations ranging from city logistics and transport to public service and healthcare.

Serial No: 511TWK1905

Part No: LAM28QPC9SA1AN

Condition: Good

Stock: 1

External ID: 4099247

Internal ID: 12701

Category: Electrical Equipment

Subcategory: Electrical Equipment, Other

Dimension (L x B x H) [m]: 0,21X0,19X0,07

Weight [kg]: 2
