Water Solenoid Valve Block - Alfa Laval

Manufacturer: Alfa Laval
Model: 1763455-92
Description: The component is part of a hydraulic system, often used in connection with centrifuges or separators to control the water intake.
Condition: Good
Stock: 1

External ID: 3708064
Internal ID: 12327
Category: Valves
Subcategory: Solenoid Valve
Dimension (L x B x H) [m]: 0,35x0,13x0,34
Weight [kg]: 4
